The diagram illustrates the relationship between three C++ files. At the top is a grey box containing the path to a header file: 'C:/Users/PcBox Gaming /Documents/GitHub/Proyecto -TTI/include/Legendre.hpp'. Below this are two white boxes. The left box contains the path to a source file: 'C:/Users/PcBox Gaming /Documents/GitHub/Proyecto -TTI/src/AccelHarmonic.cpp'. The right box contains the path to another source file: 'C:/Users/PcBox Gaming /Documents/GitHub/Proyecto -TTI/tests/tests.cpp'. Two blue arrows point from the bottom of each white box to the bottom of the grey box, indicating that both source files include the header file.
